Fighting allergies is no place for amateurs.

Serious allergies require serious care—the kind that only well-trained professionals can provide. But if we’re going to knock-out allergies, we need team work! That’s where the Asthma and Allergy Foundation of America can help.

We’re dedicated to helping you help your patients. We offer a toll-free patient information number, a full range of educational materials for adults and children and special school and community programs. Plus, we can put them in touch with our nationwide network of chapters and support groups.
