## Medical Director of Clinical Services

Mt. Sinai Medical Center, affiliated with Case Western  
Reserve University, Cleveland, Ohio is seeking a Med-  
ical Director of Clinical Services, Division of General  
Internal Medicine. This individual will be responsible for  
the integration of ambulatory services and academic  
programs in day-to-day clinical operations.

### Specific Responsibilities include:

- Manages and coordinates clinical activities with Div-  
ision Chief and Practice Manager.
- Develops and monitors clinical productivity standards.
- Coordinates and integrates clinical activities with  
academic initiatives.
- Liaison for internal and external reviewing entities,  
including JCAHO, RRC, insurance reviews, utilization  
review, QA, etc.

Additional responsibilities include supervising attending  
physicians, preceptors and residents for the medical  
direction of managed care, quality of care and graduate  
medical education.

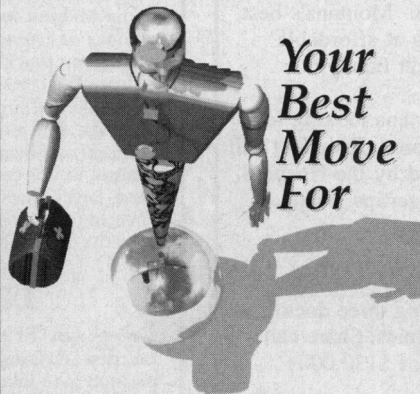

This individual will play an integral role in the expansion  
of services in our 405-bed tertiary hospital, which is part  
of a five hospital system. The medical center is located  
in University Circle, a hub of cultural, recreational and  
athletic activities.

An MD degree, board certification in Internal Medicine,  
five years clinical experience in a recognized academ-  
ic/medical practice, including supervisory experience, is  
required. Additional degree in health care or business  
administration preferred. Extensive medical administra-  
tive experience at a senior clinical level and graduate  
level courses in administration desired. Proven, effective  
interpersonal skills highly desirable. Previous experi-  
ence in resource utilization, case management, budget-  
ing, personnel management, financial reporting. Experi-  
ence in flexible sigmoidoscopy preferred. The success-  
ful candidate will have experience in health care  
management, academic administration and familiarity  
with clinical care quality assessment and medical care  
evaluation. Knowledge of managed care contracting and  
administration, outcomes measurement and clinical  
benchmarking is preferred.

Please forward curriculum vitae to  
Nadine Bruce, MD, MACP, Division Chief  
Division of General Internal Medicine  
One Mt Sinai Drive  
Cleveland, OH 44106.

## A Choice For All Seasons

There's more than just the enjoyment of all four seasons that attracts people to our Midwest locale; there's a warm climate of friendliness and family enrichment that characterize our area. Beloit, Wisconsin is located near Milwaukee, Chicago and Madison, offering a wide array of cultural, entertainment and recreational advantages.

Central to our community is Beloit Memorial Hospital, a medium-sized, Level 2 facility delivering quality medical service with future-directed technology and a highly respected team of physicians. We now have the following opportunity:

## Family Practitioner

We seek a BC/BE physician who shares our common goal of patient satisfaction and is dedicated to meeting the needs of our community. The position is to join two busy family practitioners in a multi-specialty clinic. This position is accompanied by a generous financial package and an excellent benefits option.

You'll find a pleasant change at Beloit Memorial Hospital that benefits both your personal and professional life. For more information, contact: Jacquelyn Degenhardt, Physician Recruitment, BELOIT MEMORIAL HOSPITAL, 1969 W. Hart Rd., Beloit, WI 53511, (800) 637-2641 ext. 5757; e-mail: BMH-jfd@bossnt.com. Equal opportunity employer.
